So Ends these 24 hours. Thermom
Friday	Dec 15 th	This with moderate breezes from the Eward. hove to at 12 last night under single reefs. at 6 A.M. saw the Is. of Barbadoes. bearing W by N 1/2 N distance 8 leagues. at 1/2 past 6 A.M. lost a man over board lowered boat & saved him. Chronometer agreed very well with Barbadoes Log saw about 20 sail of vessels. from laying at Bridgetown at 6 P.M. Barbadoes bore E.N.E. dist 20 miles. steering W by S So Ends these 24 hours.

Remarks On Board Bark Fairy Cruising For Whales About St. Lucia

Book up the Chains & bent them. this fore noon.
 Chro Fast $24 = 50$
 Saturday Dec 6 = 1843 This day has been moderate all day. at 6 A.M. saw the Islands of Beignia & St Vincent then morning through the Granadines Keys. went on shore at one of the keys, but got nothing. came on board & bore off for Caricoua. went in sight but did not go on shore. at 6 P.M. bore off W by S 1/2 S for Blanco. so ends these 24 hours. Filled the butt with water

At 7 P.M. 6 of the crew denied duty on account of the Captain not running in to anchor so they could go on shore. We took our small arms & went forward & put, Scotty & Clifford Barney Myers Weeks. Koll. all in Irons. & we continued in Arms the remainder of the night.

Sunday 17 Dec First part of these 24 hours begins with Moderate breezes from the E.S.E. & cloudy weather. Saw a very great quantity of birds this day. Steering the first part W.S.W. 1/2 W. at 12 let meeks & 20 lb out of their irons. they promised to return to do their duty faithfully. the other 4 are in irons yet. At 3 P.M. saw a ship running id towards. & steering S.W. by W at 12 past five saw the seven brothers. bearing W 1/2 South distance 15 miles. took in double reefs & hove her too. Leading 11 NW. fore sail set. & main spencer. & top mast staysail. so ends these 24 hours.

Monday Dec 18th First part of these 24 hours begin with fresh breezes. from the Eastward at 1/2 past 8 saw the Island Blanco. bearing S by West. dist. 5 leagues. came to Anchor at 1/2 past 12. A.M. the John Bovee Tools & Carter Braxton. were at Anchor. there. The Bovee had nothing. The Carter Braxton had 125 barrels. so ends these 24 hours.

Tuesday Dec 19th This day has been squally. & a fresh breeze. Still laying at anchor. Watch & watch on shore. so ends these 24 hours

Wednesday Dec 20th First part of these 24 hours begins with Moderate breezes & cloudy weather. at 6 A.M. got under way & stood out to the Northward of the Island. saw nothing stacked & Anchored. again at 1/2 past 12 P.M. so ends these 24 hours.

Thursday Dec 21st This day has been squally. & rather Moderate between the squalls at 12 A.M. struck a drift in a squall hove up our Anchor and beat up again. & Anchored again at 2 P.M. This Morning there was a small Vessel came and anchored. there for cattle. At 5 P.M. saw a small beach.

Friday Dec 22nd This day laying to anchor. fresh breezes & squally. At 2 P.M. took a bullock along side hoisted him in and skinned him.

Saturday Dec 23rd This there has been a fresh breeze all day. been scraping the Vessel to paint. Went round the point & cut some Sycamore timber.

Sunday Dec 24th Laying at Anchor. at Blanco it has been rather Moderate

Monday Dec 25th began to paint this day. painted one side. It has been quite a good day for Whaling so ends these 24 hours

Tuesday Dec 26th This day begins with Moderate breezes & fine weather. at 6 A.M. got under way. & stood out to the Northward. tacked & stood to the South. the Carter saw 2 heavy beaches to windward. Coured boats & rowed to windward saw nothing after. at 10 A.M. saw a sail to windward, the which proved to be the Pacific with 90 barrels. took 5 whales in the latt 22 miles N. Long 44. so ends these 24 hours.

Wednesday Dec 27th Got under way this Morning checked out. saw nothing save a sail. Bovee left for Porto Rico.

1843
 Remarks On Board Bark Fairy Cruising Off Blanca
 Thursday Dec 28th Got under way this morning & stood out to the N
 Chro East 25 = 45 Saw nothing save a sail, off our lee beam, worthy
 of note. We could not fetch up to the anchoring ground
 Until about 7 p.m. So we lay off & in till morning. So Ends these 24 hours

Friday Dec 29th This day begins with about a 5 knots breeze. Stood out
 Chro East 25 = 50 to the North, at 10 A.M. began to moderate. tacked
 & stood in towards the Island. died away calm. Saw a thermopha
 site Brigg working up. Shall not get up to anchor this night

Saturday Dec 30th This day there has been a moderate breeze. Worked
 Chro East 25 = 55 up & anchored at 11 p.m. at 6 P.M. the
 big Sam came to & anchored. she had had 220 lbs.

Sunday Dec 31st This has been some squalls of rain. & a good backing breeze.
 Chro East 26 = 00 So Ends December 1843. *Henry Holmes, Esq.*

January The First Eighteen Forty Four. 1844
 Jan 1st 1844 Got under way this morning stood out to the North.
 Chro East 26 = 05 At 11 A.M. saw a beach to leeward saw nothing after
 hauled our wind & stood in to anchor, So Ends these
 24 hours with squalls of rain in the day time but good weather at night

Tuesday Jan 2nd Got under way early this morning stood out to the North
 Chro East 26 = 10 W.N.W. Saw some porpoises tacked & stood in & an
 chored at 12 past 3 P.M. Very squally during the day.

Wednesday Jan 3rd Got under way & stood out to the N. saw nothing
 Chro East 26 = 15 at 5 P.M. the Maracaybo of Pinaro came to anchor
 At 4 P.M. we came to anchor & sent the other for
 top sail. So Ends these 24 hours

Thursday Jan 4th Got under way this morning & stood out to the North saw nothing
 Chro East 26 = 20 stood in & anchored at 4 P.M. So Ends these 24 hours.

Friday Jan 5th Got under way stood out to the North. at 9 bore off & run
 Chro East 26 = 25 to leeward a piece saw nothing. came to anchor at 12 past
 1 P.M. quite a stiff breeze. So Ends these 24 hours.

Saturday Jan 6th This day begins with a fresh breeze, from the E.N.E. & clear
 Chro East 26 = 30 weather at 8 A.M. Got our anchor & sailed for the Orch
 illa. steering W. in company with the Pacific & Maracay
 bo. latter part continues a moderate breeze. at 12 past 2 P.M.
 Saw a bark steering N.W. by W. at sun set took in
 double reef top sails & hove too with her head to Southward

Sunday Jan 7th This day begins with moderate breezes from the E.N.E. at 6
 Chro East 26 = 35 A.M. saw the Island of Orchilla. bearing West 12 miles
 dist. towards the N. End there is several high bluffs. the rest
 is low sandy. at 11 A.M. anchored in the N.W. End. So Ends these
 24 hours.

Monday Jan 8th Got under way this morning & steered W by N most part
 Chro East 26 = 40 of the time. at 10 A.M. made the Rocas Island & Keys.
 at 2 P.M. saw 3 humpback backs. lowered boats got more.
 at 4 came to anchor. there has been a fresh breeze. all day
 the Island orchilla, lays 55 miles West of Blanca. the Rogues
 lay 22 miles to the West of Orchilla. 30 miles to the West of
 the Rogues. lays the Aves or bird Islands. So Ends these 24 hours

- 14 *Remarks On Board Bark Fair Cruising Off W. India 1844*
- Monday Jan^y 9th Weighed anchor this morning and run to the westward
 Chro East 26 = 45⁵ saw a fine bark about at 9 A.M. at 10^h saw a
 very large beach, hauled our wind to the North, about
 one hour. saw nothing after. at sun set took in single
 reefs, & have too head to North, ahead the Ores or Bird Islands
 stands there 24 hours with a fresh breeze.
- Wednesday Jan^y 10th This day squared off W by N for Bear Aye, which we
